## Vision Statement

To unify and empower ministers  
in holding the consciousness  
and realization of Oneness,  
Eternal Life, Unconditional  
Love, and Divine Substance for  
the Divine Science Movement.

## Mission Statement

To be a resource for the  
ministers, that spiritually  
supports and nurtures  
communion with each other in  
love, in order to empower,  
heal and inspire us to live  
a Christ-centered life in our  
Divine Science Ministries.

Dear Ministers,

The Board of Trustees has been discussing for some time, shifting our website over, to a more easy to manage format, like Wix or Weebly. This was discussed and voted upon in our last two Membership meetings; during the DSFI 2018 Unity Village Conference, and during our DSMA Hawaiian Retreat in 2019.

It is finally happening! We are contracting with DSMA member, and computer expert, Rev. Shaun Furlong to accomplish this, with artistic and text input from me, Rev. Roma. We hope to have our new Weebly website up and running by March.

Our next DSMA Retreat is in research and planning stages, to be an ocean cruise out of Ft Lauderdale, Florida, where Rev. Durrell Watkins' "Sunshine Cathedral" is located. Many cruise lines sail from that harbor. We look forward to lots of you attending and participating in that . . . to create, strengthen, and enjoy our bonds as Divine Science Ministers and DSMA members.

With all of the dramas and changes going on in the world today, we know that we are empowered and strengthened by our love and commitment together in Being a Stand for Truth and Principle, as the Divine Science Ministers Association.

And So It Is,

*Reverend Roma Carlisle*

## THE DIVINE SCIENCE STATEMENT OF BEING

God is all . . . both Invisible and Visible.

One Presence, One Mind, One Power is all.

This One that is all is perfect life, perfect love, and perfect substance.

I am an individualized expression of God,  
and ever one with this perfect life, perfect love, and perfect substance.

Self Care Article

Doing Yourself A Favor

One of the ideas I've shared with my church family, that I've practiced over and over again myself, is creating the habit of saying "Thank You." I've suggested an experiment to them where I ask them to say it at least 50 times before breakfast. How? It's very easy to say "thank you" over and over while you're washing your face, shaving, brushing your teeth, or putting on make-up in the morning. At the same time, I give each person four ½ inch blue dots (available at Staples for a nominal sum) that they are to put on the bathroom mirror, near the kitchen sink, on the car dashboard, maybe on their cell phone, and they are to say "thank you" when they see the dot.

At first, everyone just says it thoughtlessly . . . repeating "thank you" as two meaningless words. But after doing it for a while, saying "thank you" silently to yourself becomes a golden road to *feeling* an ongoing connection with the Source of all the countless reasons you have for gratitude. Every time you notice a blue dot, you start saying, "thank you." Your mind will only stay there momentarily, but that tiny connection with the reality of God as Omnipresent Good in your life gradually changes your habitual thoughts from negative or neutral to a greater awareness of all the good, all the opportunities, synchronicities and blessings God has put in your life. Saying "thank you" prompts you to catch a deep breath . . . the body relaxes . . . inner tension is eased . . . and you experience a respite, a sense of physical and mental renewal.

Repeatedly saying "thank you," *especially* when there are grave problems, major disappointments, destroyed plans in our lives, uncovers within us a secret inner hope, a reminder and assurance that, "With God. All Power, All Wisdom, All Love and Good, all *things* are possible." These simple, self-healing words show us a golden method of self-care.
