## Vision Statement

To unify and empower ministers  
in holding the consciousness  
and realization of Oneness,  
Eternal Life, Unconditional  
Love, and Divine Substance for  
the Divine Science Movement.

## Mission Statement

To be a resource for the  
ministers, that spiritually  
supports and nurtures  
communion with each other in  
love, in order to empower,  
heal and inspire us to live  
a Christ-centered life in our  
Divine Science Ministries.

Beloved Ministers,

As I write this letter to you on April 11<sup>th</sup>, Spring of 2020, *at least* 108,000 souls have departed this world with the Corona (crown) virus. The truth is that in our humanness, we live in complete uncertainty, none of us knowing "Will I be next?" "When will it stop?" "Why . . . ?" "What is happening?" One comfort we have is "We're all in this together," and let us add . . . "with God."

Easter approaches: in the humility of Maundy Thursday, the pain and grief of "Good" Friday, and then the traditionally Glorious Sunday Celebration of the Resurrection to Eternal Life of Jesus, the Christ.

Divine Science is particularly blessed with being a spacious avenue for Spiritual Illumination, whether one has a "personal relationship with Jesus" or not. We stand as Spiritual ushers for the long line of souls . . . seeking Illumination, whether Hindu, Hebrew, Buddhist, Christian, Muslim . . . all seekers with open, loving, and often wounded and grieving hearts.

For the *miraculous removal* of the pain, fear, shame, horror, guilt, and grief that so many of us have been blessed to receive, through a deep knowing of Jesus, the Wayshower . . . we now see that clarity . . . for each departing soul.

With compassion and love, we release ourselves, our brothers and sisters to live and/or die with Christ's words: "Father . . . into Thy hands I commend my Spirit." In faith . . . total faith we remain, embracing the Eternal Infinite Life & Love of Existence . . .

In Christ Jesus' precious name we pray.

Amen

*Reverend Roma Carlisle*

Self-Care Article

**Making Changes**

Reverend Mark Stuefloten

*I retired at the end of March from property management. I have worked in the field for 17 years, and I have worked in the service business my whole career. I have enjoyed it. I have educated myself by reading articles, a few books, and listening to many people's advice.*

*Making changes we all know, takes careful planning, being as prepared as we can . . . then jump, in hopes for the best, and ride the waves of planned and unplanned good . . . new people and things, and roll with the surprises.*

*I advise taking a class on rolling and practice a lot. So, my thoughts on doing life changes (and I have just jumped) is: One: Don't keep looking back, keep looking forward. Second: In each day, find the humor, and what to be grateful for, and write it down in a journal. You may, in reading your journal, find out you're doing Divinely, and you're moving with a heart full of love, humor, and gratitude, abounding in God's good graces. Blessings to all.*
