Vision Statement

To unify and empower ministers
in holding the consciousness and realization
of Oneness, Eternal Life, Unconditional Love,
and Divine Substance for the Divine Science
Movement.

Mission Statement

*To be a resource for the
ministers, that spiritually
supports and nurtures
communion with each other in
love, in order to empower,
heal and inspire us to live
a Christ-centered life in our
Divine Science Ministries.*

Dear Ones,

Happy Summer! I carried my breakfast dishes back into the kitchen this morning, and clearly saw that they are sacred utensils . . . as are we . . . in serving God. We can love, honor and cherish ourselves in this sacred fellowship of Divine Science. May we each remember the tasks entrusted to us, on our own unique paths, in our own unique ways, in serving the Ultimate Beloved.

Let the judgements, fears, and criticisms dissolve into the Infinite Oneness and Joy of the Eternal Presence, as we share the love and respect for each . . . no matter our apparent differences. We are all sacred vessels, as are all of God's Creatures.

There are no more, "Good guys and Bad guys," Them and Us, "My team vrs. Your team." We are one in this earthly fellowship, and may we each have the vision, strength, and love to step forth in the Light of Truth, to share all that we are, and have, to the Glory of God. . . Existence . . . and the One All.

The 2019 DSMA Retreat: We had a wonderful time in beautiful Hana, Maui, enjoying the fellowship, food and Presentations of our Divine Science family. Enclosed are some pictures taken from our precious time together.

Blessings & Love,
Reverend Roma Carlisle

THE DIVINE SCIENCE STATEMENT OF BEING

God is all . . . both Invisible and Visible.

One Presence, One Mind, One Power is all.

This One that is all is perfect life, perfect love, and perfect substance.

I am an individualized expression of God,
and ever one with this perfect life, perfect love, and perfect substance.

Self Care Article

In these challenging times . . . there is no shame in finding ourselves submerged occasionally in moments of grief, sadness, helplessness or lack. It is just another opportunity to strengthen . . . flex our Spiritual muscles . . . and rise once more into the light of the infinite love that we know is constantly here within us.

We take the time to “Be Still . . . and Know that I Am God . . .” perhaps in the hour that we devote and set aside, to quiet the constant chatter of our minds . . . and Listen to the Silence. In a Heavenly and mundane moment of gazing at the sunset across our lawns . . . or hearing the innocent sound of a child’s voice, walking near us in Walmart, the opportunities for upliftment and resurrection are constantly surrounding us.

In the simple words of James Dillet Freeman. **“Wherever we are . . . God is.”** *with Infinite Love, Rev. Roma*

Self Care Article: We request and encourage our DSMA members to write, and contribute a self-care article for any of our future quarterly newsletters. It is a lovely way to know and be known among our Fellowship. Please contact Rev. Roma, if you would like to do this.

Prayer: In this moment now, we know that all Good is flowing in and thru the lives and hearts of all of us, as compassion, joy, fulfillment, vision, healing, and comfort. The Presence of God everywhere is our Source and Light.

And so it is.
AMEN

DSMA Hana, Maui 2019 Retreat Comments:

From the special "Aloha flower lei" presented from Rev. Roma Carlisle, when we arrived at the Maui Airport to the farewell on Friday, the retreat was wonderful. After the approximate 2 ½ hr. drive from Kahului to our retreat center. The "Road to Hana" includes 59 bridges with 46 that are only 1 lane wide, 620 curves, beautiful rainforest, waterfalls and ocean views, we arrived at an enchanting retreat center. The peaceful setting, comfortable accommodations, delicious local food, workshop presentation and relationship bonding contributed to memorable experiences. We also enjoyed many sacred areas. We appreciate our DSMA President, Rev. Roma Carlisle for making all the arrangements. Thank you! I am grateful that we could share this together and hope that more of you will join us to co-create special memories during the 2020 conference at Unity Village.

Thank you for the opportunity to be part of the beautiful DSMA retreat. I definitely received a healing presence that is still with me from Hana. I cherish the adventures and sacred moments of connection, teachings and meditation. I still feel the joy of the retreat. I am truly grateful. Thank you again for the experience of a lifetime, my first retreat. I hope to have more. By Sheree Garrett

Spending these days together in such a beautiful special place made it truly renewing to the soul. We could feel the mana energy which is especially powerful in Hana. The activities, workshops, and healthy tasty food was like a great dessert. The real meal was in being together as we experienced in love and friendship. By Christine Emmerling
