Divine Science Ministries.*

Dear Ones,

What an extraordinary time to be alive on planet earth. It has become very apparent that our lives have been changed forever. So many of our Human Family have passed on with great suffering and uncertainty. The only option I see, is to stand and face our futures with absolute trust and love for our Creator . . . Existence Itself . . . Joyful . . . in knowing Eternity. May the internal Light of Christ within each one of us shine forth. The illusions are shattering and melting . . . but we know that

God is Everywhere & We are One.

Gatherings:

We will have several opportunities this summer, to connect with our New Thought family, worldwide thru Zoom.

INTA World Congress is July 21st thru 23rd

DSFI Conference is August 13th and 14th.

DSMA Annual Membership Meeting, August 14th

Our 2020 DSMA Membership Meeting will be enfolded within the DSFI Conference on August 14th. We need to select a DSMA member to serve and represent us on the DSFI Board. We will also be voting for a new DSMA Board member. Please consider whether you would be willing to serve in either position. Feel free to contact me at the above phone or e-mail, to discuss and answer any questions you may have. Also . . . check out our delightful new website, graciously funded by Rev. Durrell Watkin's "Sunshine Cathedral." Many, many Thanks.

All DSMA Members will receive an e-mailed Zoom invitation, to attend our August meeting, free of charge. When you click on the invitation in your e-mail, you will be delivered to Zoom's page that says, "Open Link," then "Join with Video," "Join with Audio." Click on each, and Voila! I look forward to seeing you all soon.

Blessings & Love Always,

Rev. Roma Carlisle

Self- Care Article

By Rev. Ed Rosenbach

Each of us, as God's expression in the world, encounters many other creations in our day-to-day lives. We may or may not be able to discern their spiritual essence upon meeting them, but it does us well to remember that Spirit indwells each and all, seen and unseen.

We are reminded of our divine essence and that of our fellow beings. The flow of Life within all, becomes more apparent and less restricted, allowing the innate Perfection of Being to be more fully expressed in the visible appearance world.

Many of our fellow earth dwellers tend to value what their eyes can see, more than what their minds can perceive. As we bring the truth into form, each of us benefits, resulting in a higher level of living and Self- Care throughout all Creation.

Let us remember Who and What (and Whose) we are . . . every day!
Namaste
